From the bestselling author of *Wedding Season* and *Going Dutch*. Anna, a newly qualified interior designer, has decided it's time to put her money and her expertise where her mouth is. She's risked everything on buying a tiny but adorable cottage so she can renovate it, sell it on, and prove to her family that she can earn her own living. Outside, the chocolate-box cottage is perfect, but inside all is chaos: with a ladder for a staircase, no downstairs flooring, candles the only form of lighting and a sleeping bag and camping mat for a bed, Anna's soon wondering whether she's bitten off more than she can chew. Her neighbour Chloe comes to the rescue, providing tea, wine and sympathy - and a recently rescued greyhound, Caroline. But just as Anna's starting to believe she's found the perfect idyll, the good-looking yet impossible Rob Hunter arrives on the scene, putting up more obstacles than the Grand National. Can Anna get over all of life's hurdles?
